Dear Sir

My Reprint is of  
"the History of Jacob and his  
12 Sons" and not of "the Testa-  
ment of the 12 Patriarchs".  
Of the latter I have a  
copy, but like yours it is  
imperfect. It was printed  
as a chaf-book, and in

that form it has been  
so well thumbed, that  
I do not know of a per-  
fect exemplar.

I am nevertheless  
greatly obliged by your offer  
and for the trouble you  
have taken to describe  
the little book accurately.

Yours very faithfully  
J. Payne Collier

The Rev.

Geo. Rome Hall.
